

Machine and Vehicle Maintenance Person for Commercial Cabinet Manufacturer

Fuller Cabinets is a family-owned, well-established, custom commercial cabinet company located in Eugene, Oregon. Though based in Eugene we service the entire Pacific Northwest.

We are currently looking to fill an open position for a machinery and vehicle maintenance person.

Duties and Responsibilities:

- Create and maintain a preventative maintenance schedule;
- Maintain all records of maintenance for machinery and vehicles;
- Machinery repair as necessary; and
- Other duties as needed.

Qualifications and skills required:

- Ability to read manuals and research problems/parts accordingly;
- Must be able to work under pressure;
- Able to work independently as well as part of a team;
- Good communication skills;
- Teachable personality;
- Valid Oregon driver's license and insurance; and
- Must pass pre-employment drug screening.

Benefits:

- Competitive wages;
- Paid vacation;
- Paid sick leave;
- 401k; and
- Full-time employee medical coverage.

Please reply to this ad via email and attach a resume with work history and a minimum of three work references. Please submit requested documents in PDF or Word format.
